Wooden Bedroom Furniture From the People's Republic of China: Final Results of Changed Circumstances Review, and Revocation of Antidumping Duty Order, in Part

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce

SUMMARY: On August 11, 2015, the Department of Commerce (the “Department”) published its *Preliminary Results* of a changed circumstances review (CCR) and intent to revoke, in part, the antidumping duty (“AD”) order on wooden bedroom furniture from the People's Republic of China (“PRC”)<sup>1</sup> with respect to certain jewelry armoires.<sup>2</sup> The Department preliminarily determined that the producers accounting for substantially all of the production of the domestic like product to which the *Order* pertains lacked interest in the relief provided by the *Order* with respect to certain jewelry armoires with at least one front door. We invited interested parties to comment on the *Preliminary Results*. No party submitted comments. For the final results, the Department is revoking, in part, the *Order* as to certain jewelry armoires with at least one front door.

### Background

On January 4, 2005, the Department published the *Order* in the *Federal Register*. On February 13, 2015, the Department received a request on behalf of Pier 1 Imports (U.S.), Inc. (“Pier One”) for a CCR to revoke, in part, the *Order* with respect to jewelry armoires with at least one front door.<sup>3</sup> On April 2, 2015, the Department published the *Initiation Notice* for the requested CCR in the *Federal Register*.<sup>4</sup> On August 11, 2015, the Department published the *Preliminary Results* of this CCR in which it found that producers accounting for substantially all of the production of the domestic like product lack interest in the relief afforded by the *Order* with respect to certain jewelry armoires that have at least one front door as described in Pier One’s Request.<sup>5</sup> The Department invited interested parties to submit comments on the *Preliminary Results* in accordance with 19 CFR 351.309(c)(1)(ii). We received no comments.

### Final Results of Changed Circumstances Review, and Revocation of the Order, in Part

Because no party submitted comments opposing the Department’s *Preliminary Results*, and the record contains no other information or evidence that calls into question the *Preliminary Results*, the Department determines pursuant to section 751(d)(1) of the Tariff Act of 1930, as amended (the “Act”), and 19 CFR 351.222(g), that there are changed circumstances that warrant revocation of the *Order*, in part. Specifically, because the producers accounting for substantially all of the production of the domestic like product to which the *Order* pertains, lack interest in the

<sup>18</sup> Metal furniture parts and unfinished furniture parts made of wood products (as defined above) that are not otherwise specifically named in this scope (*i.e.*, wooden headboards for beds, wooden footboards for beds, wooden side rails for beds, and wooden canopies for beds) and that do not possess the essential character of wooden bedroom furniture in an unassembled, incomplete, or unfinished form. Such parts are usually classified under HTSUS subheadings 9403.90.7005, 9403.90.7010, or 9403.90.7080.

<sup>19</sup> Upholstered beds that are completely upholstered, *i.e.*, containing filling material and completely covered in sewn genuine leather, synthetic leather, or natural or synthetic decorative fabric. Further, as determined in the scope ruling memorandum "Wooden Bedroom Furniture from the People's Republic of China: Scope Ruling on a White Toy Box," dated July 6, 2009, the dimensional ranges used to identify the toy boxes that are excluded from the wooden bedroom furniture order apply to the box itself rather than the lid.

following three major sections: (1) a metal wall frame, which attaches to the wall and uses coils or pistons to support the metal mattress frame; (2) a metal frame, which has euro slats for supporting a mattress and two legs that pivot; and (3) wood panels, which attach to the metal wall frame and/or the metal mattress frame to form a cabinet to enclose the wall bed when not in use. Excluded enclosable wall bed units are imported in ready-to-assemble format with all parts necessary for assembly. Enclosable wall bed units do not include a mattress. Wood panels of enclosable wall bed units, when imported separately, remain subject to the order.

Also excluded from the scope are certain shoe cabinets 31.5-33.5 inches wide by 15.5-17.5 inches deep by 34.5-36.5 inches high. They are designed strictly to store shoes, which are intended to be aligned in rows perpendicular to the wall along which the cabinet is positioned. Shoe cabinets do not have drawers, rods, or other indicia for the storage of clothing other than shoes. The cabinets are not designed, manufactured, or offered for sale in coordinated groups or sets and are made substantially of wood, have two to four shelves inside them, and are covered by doors. The doors often have blinds that are designed to allow air circulation and release of bad odors. The doors themselves may be made of wood or glass. The depth of the shelves does not exceed 14 inches. Each shoe cabinet has doors, adjustable shelving, and ventilation holes.

Imports of subject merchandise are classified under subheadings 9403.50.9042 and 9403.50.9045 of the HTSUS as “wooden . . . beds” and under subheading 9403.50.9080 of the HTSUS as “other . . . wooden furniture of a kind used in the bedroom.” In addition, wooden headboards for beds, wooden footboards for beds, wooden side rails for beds, and wooden canopies for beds may also be entered under subheading 9403.50.9042 or 9403.50.9045 of the HTSUS as “parts of wood.” Subject merchandise may also be entered under subheadings 9403.50.9041, 9403.60.8081, 9403.20.0018, or 9403.90.8041. Further, framed glass mirrors

may be entered under subheading 7009.92.1000 or 7009.92.5000 of the HTSUS as “glass mirrors . . . framed.” The order covers all wooden bedroom furniture meeting the above description, regardless of tariff classification. Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this proceeding is dispositive.

#### Instructions to U.S. Customs and Border Protection

Because we determine that there are changed circumstances that warrant the revocation of the *Order*, in part, we will instruct U.S. Customs and Border Protection (“CBP”) to liquidate without regard to antidumping duties, and to refund any estimated antidumping duties on, all unliquidated entries of the merchandise covered by this revocation that are not covered by the final results of an administrative review or automatic liquidation.

This notice serves as a reminder to parties subject to an administrative protective order (“APO”) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.306. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

We are issuing and publishing these final results and revocation, in part, and notice in accordance with sections 751(b) and 777(i) of the Act and 19 CFR 351.216, 19 CFR 351.221(c)(3), and 19 CFR 351.222.
